ORDER

THIS MATTER is before the Court on defendant's pro se Motion for Early Termination of Probation/Supervised Release. Defendant's motion fails to reflect whether defendant's supervising officer concurs in the request. The Court will deny the current request at this time, but the Court will closely consider any future request if it is accompanied by favorable recommendations from defendant's supervising officer. Having considered defendant's pro se motion and reviewed the pleadings, the Court enters the following Order.

ORDER

IT IS, THEREFORE, ORDERED that defendant's pro se Motion for Early Termination of Probation/Supervised Release (#69) is **DENIED** without prejudice.
